Upcoming Events

August 14

1:00 - 5:30 PM: GWRRA training at the Comfort Suites Hotel in Odessa. Lynn Heene from Austin Texas will be here to conduct this training about Membership Orientation. I think this is important to all of us because there may be some information that you may not know about GWRRA. Chapter Y has taken care of this expense.

6:30 PM: Monthly Chapter Gathering at The Market in Odessa.

August 21

9:00AM :Gather at the Vietnam Memorial out at the Midland International Airport and then proceed to the Commemorative Air Force (CAF) to spend some time with "FIFI", which is the only flying B29 bomber in the world. As most of you know, FIFI has just received 4 brand new engines, but is awaiting some final FAA approval before she is allow to fly once again. After this flight and a few more air shows, FIFI will not return to Midland because her new home will be in the Dallas/ Ft. Worth area. With the news of this happening, I have arranged for Chapter Y members only to have the opportunity to view FIFI up close and personal. We will have the ability to take some pictures of FIFI, your motorcycle with FIFI, and then a group picture of all motorcycles, FIFI, and the Chapter as a whole. (So lets get our motorcycles shined up and pretty.) We will be able to take a tour of FIFI to include the cockpit area and if you have never seen this before, what a sight to see. FIFI's crew leader will talk with us prior to viewing the aircraft and will give us some brief history and will answer any questions you may have.

In Planning Stages:
